16. (Unclassified - NDL) LIAISON Called Judy Hollis, in the office of Senator Roman Hruska (R., Neb.), and told her that the picture of the Senator and Mr. Bush would be signed by Mr. Bush as soon as we got the pictures back from our photographer and we would get them to the Senator. She said that would be fine.

17. (Secret - THW) LIAISON Jack Lawn, FBI, called saying that staff members of the House Select Committee on Assassinations were bothered by the third agency rule and could not understand why, if they are going to see all documents, they cannot look at all documents in possession of a particular agency, whether that agency's documents or another agency's. He asked for our position on this matter stating that the Bureau was willing to allow committee staffers to read certain documents located elsewhere but wanted to reserve some documents for reading at the Bureau only. I told him we had not had a problem in this area as yet, but that if confronted we would probably try to play the role of a broker in obtaining the permission of the third agency for review of the documents by staffers and in general be as cooperative as possible within limits.

18. (Internal Use Only - PLC) LEGISLATION Steve Needle, Office of General Counsel, ~~OMB~~ called to advise that the proposed Executive order to pick up for CIARDS the change in the Civil Service law for computing cost-of-living increases, will be sent to Justice today with an urgent request that it be expedited for submission to the President.

19. (Secret - PLC) LIAISON Called Chairman Lucien Nedzi (D., Mich.), House Armed Services Special Subcommittee on Intelligence, and Bill Hogan, Counsel, House Armed Services Committee, and gave them a rundown on the Moore case from the fact sheet by Security. Chairman Nedzi gave me his home phone and asked that I call him if anything important develops. I left word with Mr. Gambino's, D/OS, office to call me at home should anything important come up and advise them of Chairman Nedzi's interest in the case.

11. (Unclassified - PLC) LEGISLATION Following a discussion  
with [redacted] Retirement Division,  
I called Hilda Schreiber, OMB, and inquired as to whether OMB would  
initiate Presidential action to amend the Agency's cost-of-living  
provision in the CIA Retirement Act based on the recent changes in the  
same provision in the Civil Service Retirement law made by the Department  
of Defense Authorization Act, Public Law 94-36. She said she was not  
aware until my call that Presidential action was necessary; however, after  
reading the law carefully she confirmed that an Executive Order is necessary.  
She will call as to whether OMB or the Agency should initiate this action.
